Association	Description	Certificate/License #		
	Certified as an Indirect Air Carrier from the Department of Homeland Security. This allows CTL to arrange air transportation services directly with airline carriers.			
	Certificate of endorsement to promote and sell air cargo transportation.	0111459		
	As a certified partner with CTPAT, CTL works in conjunction with Customs Border Patrol to protect the supply chain, identify security gaps, and implement specific security measures and best practices. Adherence is strictly enforced for continued validation.	94254127		
	The Federal Maritime Commission (FMC) licensed CTL as an Ocean Transportation Intermediary and certifies CTL may operate as NVOCC and Ocean Freight Forwarder.	021424NF		
	Certified as a Women's Business Enterprise by the Women's Business Enterprise Council (WBENC), the nation's largest third-party certifier of businesses owned and operated by women.	WBE2002306		
	Identified as a small business eligible WOSB for the WOSB Program and certified by an SBA approved 3rd Party Certifier.	WOSB201722		
	Certified Minority-Owned, Hispanic Small Business	CAGE Code 3A2D1		
	Certificate authorizes CTL to follow regulations of USDOT for hazardous materials transported. This is a requirement for government business.	062118550139A		
	Certification allows CTL to encourage carrier selection to be EPA conscious in regards to tracking, documenting & sharing info about fuel and freight emissions	30293112		
	Member of the Transportation Intermediaries Association, the premier professional & educational organization of the logistics industry. Members required to abide by a strict Code of Ethics.			
	NCBFAA is the U.S. organization representing the business of customs brokers, freight forwarders, non-vessel-operating common carriers (NVOCCs), and ocean transportation intermediaries as transportation facilitators and logistics professionals in their dealings with government officials, industry, and each other.
